

COOKIES POLICY

Welcome to <https://www.midiatours.com> (hereinafter "Website").

MIDIA TOURS undertakes to comply with the current data protection legislation (GDPR) and is committed to protecting the privacy of its website's visitors.

To this end, this Website uses only essential cookies that do not collect any personal data. Please take a moment to read this policy to understand how essential cookies help us provide you with the basic functionalities of the Website.

- **What are cookies?**

Cookies are small text files that contain browsing information and are stored in your computer browser, when visit our Website.

- **What is the purpose of essential cookies?**

In our Website, we use essential cookies, in order to ensure its continued and proper operability. Additional uses include *page navigation, access to secure areas of the website, averting improper use of our services, identity verification, service continuity and site security.*

As essential cookies are strictly necessary either from a technical perspective, or in order to offer you the website services of your choice, the applicable legislation allows us to install them upon your visit and without requiring any action or consent from you.

- **General Information**

Third party providers may have access to this information.

If you visit us from another device or a different browser, the cookie banner that informs you of the use of essential cookies by our Website will appear again.
